Town of Yucca Valley Recreation Department Seeks Community Input for Skate Park Redesign and New Park Features

On May 22, 2019 from 6:00 p.m. to 7:30 p.m. the Town of Yucca Valley Recreation Department will host an informal Design Workshop and Community Outreach event at the Yucca Valley Community Center, Cholla Room. The workshop will solicit ideas for park enhancements and improvements from members of the community which will be incorporated into a Town of Yucca Valley Prop 68 State Grant Application.

Park designers from Spohn Ranch Skateparks of Los Angeles www.spohnranch.com will be on hand to collaborate on ideas for a new Skate Park, along with Recreation Staff members who will discuss options for park amenities such as fitness courts, shade shelters, basketball courts and other recreation features. All ages are welcome to attend. The event is free to the public and will feature a pizza party and raffle for workshop participants.

In addition to community outreach events, the Recreation Department invites residents to provide their input through an online survey. Visit www.yucca-valley.org and click on the Skate Park Survey link. Paper surveys are also available at the Community Center and Hi-Desert Nature Museum. All completed surveys will be entered into weekly drawings for free Swim Passes to the community pool!

For more information contact the Community Services Department at (760) 369-7211, Monday through Thursday, 12:00 p.m. to 5:30 p.m. or visit www.yucca-valley.org.
